Business Model Canvas Explained

Business Model Canvas

<p>Who will help you? Key Partners Who are your key partners/suppliers? What are the most important motivations for the partnerships?</p>	<p>How do you do it? Key activities What key activities does your value proposition require? What activities are most important for your distribution channels, customer relationships, revenue streams etc?</p>	<p>What do you do? Value Proposition What core value do you deliver to your audience? Which needs are you satisfying?</p>	<p>How do you interact? Audience relationships What relationship does the target audience expect you to establish? How can you integrate that into your work in terms of cost and format?</p>	<p>Who do you help? Audience Segments Which groups are you creating value for? Who is your most important audience?</p>
	<p>What do you need? Key resources What key resources does your value proposition require?</p>		<p>How do you reach them? Distribution channels Through which channel does your audience want to be reached? Which channels work best? How much do they cost? How can they be integrated into your and your audience(s) routines?</p>	
<p>What will it cost? Cost Structure What are the most important costs in your work? Which key resources/ activities are most expensive?</p>		<p>How much will you make? Revenue Stream For what value are your audiences willing to pay? What and how do they recently pay? How would they prefer to pay? How much does every revenue stream contribute to the overall revenues?</p>
